

Our mission is to generate superior returns with low volatility

FIRM OVERVIEW

Harvest Partners, founded in 1981, is an established private investment firm with a 35 year history of investing in middle-market companies. We invest across four industry verticals, backing high quality management teams to build growing businesses.

For 35 years, through several funds with aggregate capital commitments of more than \$5.0 billion, the firm has invested in over 50 companies. Harvest Partners is currently seeking new investment opportunities for its seventh private equity fund, which has committed capital of over \$2.2 billion. The firm is also seeking opportunities for its structured capital fund, which has committed capital of over \$375 million.

INVESTMENT CRITERIA

Harvest Partners seeks to invest in good businesses that have high potential to benefit from the firm’s value creation approach. Our Private Equity team focuses on control opportunities and our Structured Capital team focuses on minority investments. We prioritize proprietary or unique opportunities that capitalize on one or more key investment themes.
