

Our mission is to generate superior returns with low volatility

FIRM OVERVIEW

Harvest Partners, founded in 1981, is an established private investment firm with a 35+ year history of investing in middle-market companies. We invest across four industry verticals, backing high quality management teams to acquire and build growing businesses.

Through seven funds with aggregate capital commitments of over \$5.0 billion, the firm has invested in over 50 companies. Harvest Partners is currently seeking new investment opportunities for its seventh private equity fund, which has committed capital of \$2.3 billion.

INVESTMENT CRITERIA

Harvest Partners seeks to invest in good businesses that we believe have high potential to benefit from the firm's value creation approach. We prioritize proprietary or unique opportunities that capitalize on one or more key investment themes.
