#### FIRM OVERVIEW

Harvest Partners, founded in 1981, is an established private investment firm with a 35+ year history of investing in middle-market companies. We invest across four industry verticals, backing high quality management teams to acquire and build growing businesses.

Through seven funds with aggregate capital commitments of over \$5.0 billion, the firm has invested in over 50 companies. Harvest Partners is currently seeking new investment opportunities for its seventh private equity fund, which has committed capital of \$2.3 billion.
